# Rediscover your wiz kids' talent

A Computer based holiday camp program from E-Kids.

[www.e-kids.in](http://www.e-kids.in)

[www.esolutionpoint.com](http://www.esolutionpoint.com)

The primary objective of the eCamp is to help students use their summer holidays productively by working on creative projects using the power of the technologies. The eCamp will teach the children the practical applications of the various software and in the process also helps in unlocking the creative potential of the child in a fun filled way.

The camps will be theme based and will have a lasting impression on the child's life. Every child will also get a minimum number of hands on experience on the computer.

This eCamp is a unique range of technology camps designed specifically to meet the requirements of the school / students.
